

This is to certify that the Master programme

Biomedical Engineering

provided by

Fachhochschule Lübeck
Fachbereich Angewandte Naturwissenschaften
Fachbereich Elektrotechnik

and

Universität Lübeck
Technisch-Naturwissenschaftliche Fakultät
Medizinische Fakultät

accredited by

ASIIN e.V.

on **25 September 2009** until **30 September 2016**

satisfies the outcomes of **Second Cycle programmes** specified in the **EUR-ACE Framework Standards for the Accreditation of Engineering Programmes**, and therefore for the above period of accreditation is designated as a **Second Cycle EUROPEAN-ACCREDITED ENGINEERING PROGRAMME**.
